

A Thank You to Our Reviewers

We want to express our sincere gratitude to the Reviewers below for their diligent evaluation of our manuscript. Your thoughtful comments and suggestions have played a crucial role in improving its quality. Additionally, we would like to acknowledge and thank you for the expertise and effort you have contributed to the review process, which is essential for maintaining the high standards of peer-reviewed journals. Your support is immensely valued.

Special thanks to you for your good comments.

Yours sincerely,

The team of Marine Research
